Thanks to you both for meeting Frank Gulich yestersday from ANOVA. I have no idea why he showed up at 1:30 PM for the meeting. Sorry for any inconvenience, but am grateful you both managed to spend time with him.

Dear Ron,

Thank you for the reminder. We intend to subscribe for \$10 million for Parson Finance by end of July.

On a separate note, do you see any possibility for me to subscribe for \$100,000 for my personal account and another \$100,000 for another individual account which I manage (the same account that subscribed for \$100,000 of the Redstone Fund)?

Kind regards,

Philip
